Buddhism - What does it mean to be enlightened?
Can we all be enlightened?

What is the Buddhist belief about animals?

Last week you read the story of Prince Siddhartha who later became Buddha.

This week we are going to be learning about Buddhists beliefs about animals.

Watch the Power point "Prince Siddhartha and the Swan" or you can watch a film clip on -

What did Prince Siddhartha do for the swan?

Buddhists believe that animals should be treated with the same respect as people and should not be harmed.

How can we look after animals?

Your task this week is to explain the Buddhist message in the story about animals.

Then write about why it is important for us to look after and protect animals.
