'Learning, working and growing together'

Dear parents/carers,

We are delighted to announce that, providing government and local authority guidelines remain as they are, we will be going ahead with our residential visit to the Jarman Centre (14th – 16th July 2021).

We have booked the following activities to participate in during our stay:

- a campfire experience
- a woodland skills experience
- laser tag

Alongside these guided activities, we have use of the trampolines on site, the secure outdoor areas and woodland areas. There will be a full itinerary of activities, learning opportunities and free time to keep the children very busy during our visit.

During the visit, we are responsible for our own cooking and cleaning of the centre so we will be expecting children to help out with daily chores, working as a team to ensure the visit runs smoothly. We are sure you will agree that these skills will be valuable in life.

Also attached is a provisional kit list. Over the next few weeks, we will send home a food allergy form and medical forms.

In order for the visit to go ahead, we are asking for a contribution of £70 to cover the cost of your child's stay, food and activities. Please make this payment on Parent Pay by Monday 5th July. If you have any difficulties in making this payment, please speak to your child's class teacher in confidence. We want every child to have this wonderful experience and will ensure that they can. However, if insufficient funds are received, the visit will not be able to go ahead.

Children will need to be dropped off at 9.30am on Wednesday morning at the Jarman Centre, Duchess Drive, Newmarket and picked up from there at 2.00pm on Friday.

We are really looking forward to sharing these experiences with the children and having a fantastic residential visit.

Yours sincerely,

Miss Ashwell, Miss Bellwood and Mrs Bartley

Camp Kit List

Please note we sleep 4/5 children to one tent - if they bring a big bag or large suitcase (not advisable) they will not fit in the tent!!

Your child should be able to carry his/her gear from the car to the campsite. Please don't put their kit in a bin liner, they tend not to survive and we end up with a trail of clothing. Please put your child's name in each item of clothing. As you can imagine clothing will get mixed up.

Preferably pack old clothes or playing out clothes as they are likely to get very dirty. Please don't over pack your child's bag.

Your child needs to know what he or she has got packed so make sure that they help you pack so they know what clothing they have and where etc.

Kit List

- Wash bag with the following Soap / shower gel, Flannel, toothbrush/tooth paste, Comb or brush,
- Hand Towel and larger towel
