Dear Parents and Carers

Pupil numbers in school have increased over the past few weeks so we are almost at maximum capacity. As per the initial letter, we will be reviewing our provision and requests for places fortnightly to ensure we are able to operate safely in accordance with government and DEMAT guidance.

Despite the government announcement stating that there will be no wider reopening of schools this term, we are trying very hard to ensure we reach all our families in the community. We have already had positive feedback regarding the revamped website and the addition of the Loom / Bitesize videos listed on the planning or on Class Dojo. Additionally, from this week, we would like to hold **Zoom meetings** every **Monday and Friday** with those children who are not currently in school.

The intended aims are:

- To give the children time to see their peers
- To motivate the children to complete the work set during the week
- To address any common misconceptions / answer any questions that have arisen from the work during the course of the week
- To share work completed

We are conscious that not every child will be able to participate due to restricted access to technology at that particular time so these sessions are entirely optional and the main home learning will continue as it currently is.

The first meeting will be on **FRIDAY 19th JUNE** then every Monday and Friday until the end of term.

### Outline of Format (this will vary depending on day & year group etc.)

- Game / song
- Introduce weekly focus / Talk through any misconceptions
- Children share work
- Answer any questions

If you feel this might be a useful experience for your child, please read the attached guides and complete the survey to agree to the following guidelines:

- The virtual group should take place in a communal area
- Parents should virtually 'drop off' their children with their teacher and say hello before 'leaving'.
- An adult should remain in the vicinity but at a distance to allow your child to interact as independently as possible.
- Children will need some paper (plain or lined - they could use the back of their exercise book and a pen or pencil
- The group will last a maximum of 45 minutes but may be less if the children become too restless or disengaged (we hope not!).
- All microphones should remain muted. The adults leading the group will unmute to allow children to speak

### Action - Complete survey to confirm attendance at the Zoom meetings
